

INSPIRING THE NEXT GENERATION.

WHAT IS JUNIOR ACHIEVEMENT?

Junior Achievement (JA) is the world's largest organization dedicated to educating young people about business, economics and free enterprise. JA provides current, state-of-the-art educational materials, computer software, and trained volunteers at no cost to the schools or students. JA of Lincoln's 1000+ volunteers touch the lives of over 28,000 students in more than 1,300 Lincoln-area public and private school classrooms each year. JA of Lincoln is funded entirely by voluntary contributions from the private sector and is governed by local volunteer boards of directors and trustees. Junior Achievement is a non-profit, tax-exempt 501(c)3 educational organization.

Last year, over 300 teams took part. Together we raised almost \$100,000 for Junior Achievement's unique financial literacy, work readiness, and entrepreneurship programs that impacted the lives of more than 28,000 Lincoln area students during the 2016-2017 school year.
