Junior Achievement

Middle School Teacher Registration Form

There's nothing like a fresh perspective and real-world experience to capture your students' attention! Each year, more than 800 trained volunteers from the local business community make the Junior Achievement messages of financial literacy, money management, entrepreneurship, and business ethics come alive for over 25,000 K-12 students in our public and parochial schools. Your volunteer will come equipped with age-appropriate lesson plans, innovative curriculum, and the motivation to help your students understand how they can use their education to achieve future success. JA is provided to your classroom completely free, and the time commitment is minimal - **just six 45-minute sessions** on the days of your choosing. To learn more about Junior Achievement of Lincoln and all that we do, visit us at jalincoln.org.
