

What is Junior Achievement?

Junior Achievement is the world's largest organization dedicated to educating young people about business, economics and free enterprise.

Junior Achievement of Grand Island & Kearney programs reach K-12th graders by providing current, state-of-the-art educational materials, computer software, and trained volunteers at no cost to the schools or students. The Kearney and Grand Island JA districts are under JA of Lincoln's umbrella. All proceeds from the sale of this Central Nebraska Golf Card go directly to providing JA programs in Grand Island & Kearney schools. Their combined 260 JA volunteers touch the lives of nearly 6,500 students in 29 local public schools each year. The Districts of Grand Island & Kearney JA are funded entirely by voluntary contributions from the private sector and are governed by local volunteer boards of directors.

Junior Achievement is a 501(c)(3) charitable organization, your contribution is tax-deductible to the extent permitted by law.
